ABOUT THE EVENT

Join us for an inspiring evening at our 13th Annual Vines & Vision Gala! This year's event celebrates 30 years of empowering over 3,000 students to reach their full potential and highlighting the milestones and ongoing efforts in advancing educational equity in Marin County.

The Gala showcases California wines during a tasting reception, Live and Silent Auctions, a Wine Cellar raffle and fine dining by local chefs. All proceeds will support Bridge the Gap programs, providing students with equitable access to resources and essential academic support.

OUR MISSION

Bridge the Gap provides comprehensive educational, social and emotional resources to underserved students in Marin County. Our goal is to ensure that all students graduate high school, and achieve their greatest potential through college completion or other pathways to economic sustainability and independence.

ABOUT US

Founded in 1995, Bridge the Gap has grown from a small volunteer literacy program to a robust, multiprogram organization serving students in TK through college. BTG works tirelessly to bridge the educational disparities that affect underserved students in Marin County. For 30 years, Bridge the Gap has been a partner to families, students, local school districts and community-based organizations to provide equity-based support and opportunities for students to reach their full potential. Bridge the Gap was chosen as 2023 Nonprofit of the Year by Assemblymember (12th District) Damon Connolly.
